

Growing Together Baw Baw in partnership with **LandLearn**
invite you to a teacher professional development event

Learning in the Garden

LandLearn is a Department of Primary Industries education program that encourages and supports the incorporation of studies about sustainable agriculture and natural resource management into schools' curricula

This Professional Development workshop is aimed at providing curriculum resources and ideas to integrate edible gardens into the curriculum by:

- Providing hands-on curriculum-linked activities aligned to the Victorian Essential Learning Standards
- Discovering how gardening can be integrated into your classroom
- Using Peter Pan to explore seed dispersal and involving students in garden design with Plant Buddies
- Networking with others who have planned and planted their own school vegie garden
- Finding out how LandLearn can help you in the future

****Please note: a resources list is provided to assist you with garden construction which LandLearn does not address in this workshop.**

Date: Monday 23rd August

Time: 1.00pm - 4.00pm

Venue: Warragul Primary School (Federation Room), Whitton St, Warragul

Aimed at: VELS Humanities and Science for Years 3 to 8, and is relevant to the Draft Australian Curriculum - Science (March 2010). The workshop is open to all primary and secondary teachers interested in exploring the garden theme or community gardeners wanting to learn about curriculum linked activities for use with school students.

Cost: Free (refreshments will be provided).

How to register: Fill in the registration form over the page or phone 5824 5523.

RSVP: 16th August
