

**LandLearn invites you to a teacher professional development workshop**

# Learning in the Garden

**'Integrating gardens and gardening into the curriculum'**

A full day workshop at Myuna Farm aimed at providing curriculum resources and ideas to integrate use of vegetable gardens and sustainable land management across the curriculum.

Highlights will include:

- ◆ Discovering how gardening and sustainable land management can be integrated into your classroom through curriculum-linked activities (Victorian Essential Learning Standards)
- ◆ An introduction to undertaking simple biodiversity audits of your school grounds (contributing towards accreditation of the Resource Smart: Biodiversity Module of the Australian Sustainable Schools Initiative Victoria (AuSSI Vic))
- ◆ Networking with others who have planned and planted their own school veggie garden
- ◆ Finding out how LandLearn can help you in the future...

Aimed at The Standards levels 3, 4, 5 & 6 of Humanities, Science, Communication and Thinking Processes but open to any interested teachers.

Date	Friday 14th August
