

LandLearn Teacher PD

Schoolyard Sustainability

LandLearn is a Department of Primary Industries education program that encourages and supports the incorporation of studies about sustainable agriculture and natural resource management into schools' curricula.

This Professional Development workshop will assist teachers to build understanding and take action for the land and natural resources in schools.

- Discover how sustainable land management and biodiversity can be integrated into your classroom through curriculum-linked hands-on activities (*Victorian Essential Learning Standards*)
- Find out how to undertake simple biodiversity audits of your school ground that contributes towards Biodiversity Module certification in the Resource Smart: AuSSI Vic (Sustainable Schools) Program
- Learn about Creating Sustainable Futures - a creative thinking tool to explore sustainability
- Network with others who are integrating these themes into classroom curriculum

Date: Monday 17th May, 2010

Time: 10.00am - 3.30pm

Venue: Primary School (Batesford Campus)
Old Batesford Road, Batesford, VIC 3221
